

## Our Purpose

River City girls of Leather (RCgoL) is a non-profit patch club for Leather identified Women/girls, transgenders, and those who are curious about and/or enjoy Leather culture and history.

As a sisterhood, RCgoL will promote a culture which reflects the diversity of all Leather identified Women/girls interested in or involved in the Leather culture and/or alternative lifestyles with freedom from discrimination against race, sexuality, or lifestyle identity/dynamic.

RCgoL purpose contains but is not limited to:

Increase understanding and encourage camaraderie among Leather identified Women/girls within the Leather and alternative lifestyle communities with respect, honor, integrity, and dignity

Provide social, educational, and a supportive environment for all Leather identified Women/girls within and beyond Northeast Florida Leather and alternative lifestyle communities

Provide support as a sisterhood, when possible, to local and regional Leather/alternative lifestyle community-based organizations or events through attendance, educational presentations, group volunteering, and/or community service

Promote acceptance and understanding of feminine energy within Leather, and to provide community service within and beyond the Northeast Florida area.

To share the thoughts and feelings of your honest, authentic self is one of the best benefits of sisterhood.

Our sisterhood is a safe space to share and heal, to grow and to learn, to feel supported especially when it feels like the world is against you.

To call another woman a sister is to say, "I trust you," "I have your back," "Your feelings are valid,"

"I believe in you."
